Dear Parents,

Assalamu Alaikum,

It gave us a great pleasure to see some of you at the EHR/Parents meeting on Friday May 8, 2009. It would have given us even more pleasure had all our beloved parents been able to attend.

As always, we listened to your concerns and ideas. The EHR will be working diligently to accommodate these ideas you shared with us to the best of our abilities and where it is possible. We will keep you updated through the DIS website and direct emails.

We have a lot of ideas, plans, and improvements coming down the pipelines very soon Insha'a Allah. Be on the lookout for communications and updates from us and the Principal.

We are here to serve your kids, our kids, the community kids. So, please share with us your concerns and suggestions that would improve DIS's environment and learning process.

For your review, a copy of Friday's Presentation is now available on our website at: www.dis4u.org. Please check it out and give us your feedback.

Have questions or ideas? Drop us a line at: ehr@dis4u.org

Jazakum Allah Khair, and may Allah bless you all for your patience and continued support.

Together as a team, the DIS will flourish Insha'a Allah.

On behalf of the Education and Human Resources Committee,

Haitham Jalanbo

Chairman, EHR
